The marketing of Hereford and Hereford influenced calves will require some team efforts on behalf of breeders putting together loads and developing a relationship with the feedlots that feed for Greater Omaha. For more information contact Chris Peterson of Greater Omaha if you have any questions 402-380-9616. There were a lot of good conversations and everyone enjoyed a dinner of Greater Omaha Hereford burgers.

# 2018 NDHA ANNUAL MEETING MINUTES

Friday, November 30, 2018 • Valley City, ND

November 2019

Carl Olson called the meeting to order. The secretary's report from the 2017 annual meeting was in the newsletter. Chris Rockeman made motion to approve the minutes and 2nd by Jimmy Carter. Joana handed out the treasurer's report and reviewed with the members. Motion to accept by Zac Tessier and 2nd by Steve Wolff.

**Old Business:** The 2018 NSC heifer is donated by Larry and Logan Behm of Behm Polled Herefords, Beulah, ND. Thank you to the Behm's for their generosity. Andy Mrnak of Mrnak Hereford Ranch, Bowman, ND indicated that they would donate the 2019 NSC heifer.

Discussion was held regarding the 2 page ad the NDHA has in the March issue of the ND Stockmen's magazine – one page with membership listing and opposite page (black and white) with AHA ad slick and officers and directors. Everyone thought it was good to continue with this 2 page ad.

Joana mentioned the web page banner ads – if anyone wants to have a banner ad to contact Jill Hotchkiss with Hereford America to place the ad.

Joana indicated that 2019 will be the 10th year commitment from the Klein's for the Klein family memorial heifer grant – Pat Weber had paid for 2019 this year with 2018.

Larry Tinjum family has provided a \$500 heifer grant for the 2nd year in memory of Andrew Dosch.

LaMae Turk had provided the junior association report on activities and finances of the NDJHA.

**New Business:** Friesz reported that the auction at the banquet Saturday evening after the sale will be for the prime pages in the 2019/2020 NDHA directory. All ad information needs to be to Jill at Hereford America by December 15th to get to the printer.

Levi reported on the CHB program has great results.. January 1st all need to grade choice. Currently all carcasses harvested were 80% choice grade. Greater Omaha was using the grid system.

Levi mentioned that the deadline for the Whole Cow Herd DNA Genomic program is December 31st. Must request to participate by December 31st and work with AHA on submitting the samples.

Radio advertising was discussed – everyone thought the ad info and price of advertising (\$1000-\$1500 budget) on KFYZ was a good investment during bull sale season (ad to cover the benefits of using a Hereford bull– no breeder specific) starting late January into mid April. Steve Wolff made motion to continue for the 2019 season for same plan/price as the past year and 2nd by Shane Giedd.

Shane Giedd mentioned that the NDSU judging club was looking for a Hereford heifer for their 2019 fund raising raffle. If anyone is interested to contact Shane for more information.

The proposed budget for 2019 was reviewed and accepted – motion made by Lamae Turk and 2nd by Zac Tessier.

**Director Elections:** Zac Tessier nominated Matt Stroh for the NW region – Steve Wolff made motion to close nominations. LaMae Turk 2nd. Shane Giedd cast unanimous ballot to elect Matt Stroh and 2nd by LaMae. Motion carried.

Steve Wolff made motion to re-elect Zac Tessier for SW region and 2nd by Shane Giedd. Chris Rockeman made motion to cast unanimous ballot and 2nd by Shane to elect Zac. Motion carried.

Chris Rockeman made motion to elect Carl Olson for the East region and 2nd by Steve Wolff. LaMae made motion to cast unanimous ballot and 2nd by Shane. Motion carried.

Zac made motion to adjourn meeting and 2nd by Leon Seefeld.

Meeting adjourned.

Discussion was held regarding the radio advertising during bull sale season – it was agreed to stay with the same ad as last year and run Feb 1st to April 15th on KFYZ.

Joana mentioned that NDHA has an opening for their 3rd delegate to the AHA convention/annual meeting. That was tabled – check and see if a NDHA member may be interested.

Matt S. made motion to adjourn meeting and 2nd by Zac T.

## **NEWS (CONTINUED)**

Larry Tinjum  
2018 NDHA Commercial Breeder of the Year

Larry and his wife Jill and son Richard (pictured). Larry and his family has been a generous junior heifer grant donor in memory of the late Andrew Dosch for the past few years. He donates \$500 for the awarded NDJHA member to be used to purchase a heifer out of the Hereford Sale at the North Star Classic in Valley City in the first Saturday in December.

Tinjum Herefords is a commercial cow-calf operation located east of Powers Lake, ND. Richard Tinjum came from Minnesota in 1911 to homestead here. In 1948 his son Clarence bought the first Hereford cows. In 1950 he sold his brother Ervin five heifers with which he started his own herd. Clarence wintered and calved the cows, while Ervin fed and finished the calves until they were ready to be shipped by rail to St. Paul. Beginning in the early 1960s they operated separately selling the calves at weaning in October except for replacement heifers. Over the years they bought bulls from many ND breeders including J.B. Schou, George O'Malley, Roen Bros., Diamond J, Herman Widicker, Dennis Lindberg and Edson Lund. For over 30 years they bought most of their herd sires from Lodoen Herefords at Westhope.

In 1971 Ervin's son Larry returned home full time and purchased his uncle Clarence's herd and together they ran 150 cows. In 2009 Andrew Dosch purchased heifers from Tinjums and became a partner with Larry and his son Richard. In 2012 Andrew moved to the original Tinjum homestead and established Dosch Hereford Ranch working with the Tinjums until his death in 2017. The last ten years most bulls have been purchased from Mrnak Herefords at Bowman. Bulls and heifers were also purchased from Helbing Herefords at Mandan and heifers from Behm Herefords at Des Lacs.

### **Meet the Judge...**

Olivia Claire was raised in Watseka, Illinois on a row crop and commercial cow/calf operation. She grew up showing cattle and livestock judging throughout her junior eligibility. She competitively judged on the Illinois State Livestock Judging team, at Lake Land Junior College and Western Illinois University. She is currently working towards a Master's degree in Ruminant Nutrition at Virginia Tech, while serving as a coach for their livestock judging team. She also assisted in coaching the Virginia State Livestock Judging team who tied for High Team Overall at the National Contest in Louisville. After a tie breaker, the team was announced as the Reserve High Team Overall and had the opportunity to travel to Europe and judge for 15 days earlier this summer.
